Richard Branson
Virgin Brand

Mother Theresa
Missionaries of Charity

Muhammad Yunus
Grameen Bank

What is SIP?

Founded in February 2006, **Social Innovation Park Ltd (SIP)** is an impartial, not-for-profit organisation based in Singapore that incubates social entrepreneurs and innovators worldwide to create high-impact, sustainable solutions to social needs.

SIP's mission revolves around the 3 'E's':

OUR GLOBAL NETWORK

Schwab Social Entrepreneurs Summit, Davos

Skol World Forum on Social Entrepreneurship, England

City Year, Boston

SIP-Schwab Entrepreneurs, Davos

Operation Hope Financial Literacy Program

SIP-YCL, Dignity Day, New Delhi

TRANSFORMING LIVES – more than 430 Individuals locally

Programs & Initiatives

educate ● empower ● enhance

Giant in Conversation & Chatterbox

A series of events that features distinguished speakers locally and from around the world. It serves as a platform for the exchange of ideas and innovation.

Mel Young
President & Founder, Homeless World Cup

Nick Gaffney Founder, Foam and
Muja Kuzmanovic Founder, FoAM.

Jon S von Tetzchner
CEO & Co-Founder,
OPERA Software

Judy Wee, Founder, LevelField Consultants
and **Nick Vujicic**, Director, Life Without Limbs

Social Entrepreneurs sharing
personal experiences.

Ben Chan
Director, United In Diversity

SIP Student Chapters

SIP Student Chapters can be found in Singaporean universities and polytechnics. Activities and programs foster leadership in social enterprise and innovation. The next generation's social entrepreneurs and innovators gain skills and lessons that last a lifetime.

SIP International Chapters

SIP International Chapters actively develop the social enterprise movement worldwide by partnering with foreign leaders to catalyze change in their local communities and schools. SIP has started chapters in **Kashmir, China, Indonesia, USA,** and **Japan**, with more on the way!

Global Social Innovators Forum

Global Social Innovators Forum (GSIF) serves as a platform to bring together regional and world leaders of the public, private, and people sectors to build a network of thought-leaders and change-makers across all sectors to create social innovations around the world.
